About RMS Academy

RMS Digital & Technology Academy is the training division of RMS International Group — a pan-African and international academy with campuses in France, Benin and Togo, and new locations opening in Kenya, Ivory Coast and Ghana. Led by Modeste M. Agonnoudé — MBA graduate (École des Ponts Business School), MIT CTO Certified and former ENGIE Group CDIO with 30+ years of international experience — the Academy delivers structured, practice-oriented programs in Cloud, Cybersecurity, AI & Data, ERP and DevSecOps.

Part of RMS International Group

Think big · Start small · Scale fast

Why RMS Academy

MIT & MBA Faculty	MBA graduate, MIT CTO Certified — 30+ years international executive experience.
Practice-Oriented	Real enterprise case studies, hands-on labs, structured exercises.
Evening Classes	Monday–Thursday 19:00–21:30 (15-min break) + online streaming. DSAE runs as an intensive weekend format.
Bilingual	All programs delivered in English and French.
Scholarship Available	One full scholarship per cohort — merit and financial-need based.

Technology Ecosystem

Tools, platforms and certifications covered across all programs.

Cloud & Infrastructure

AWS Amazon AWS Cloud Partner	AZ Azure Microsoft Cloud	GCP Google Cloud GCP	MS Microsoft M365 / Azure
---	---	---------------------------------------	--

Security & DevSecOps

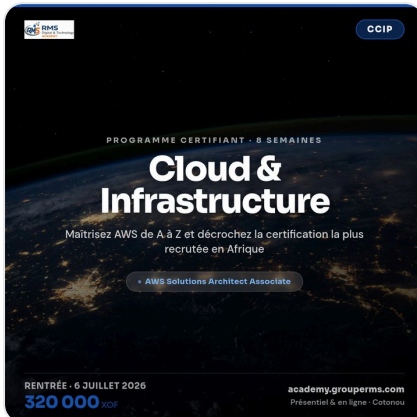

PA Palo Alto Networks	PRO Prometheus Monitoring	GL GitLab DevSecOps	TF Terraform IaC
--	--	--------------------------------------	-----------------------------------

ERP, Data & Databases

ODO Odoo ERP Platform	MYS MySQL Database	PY Python Data & AI	DK Docker Containers
--	-------------------------------------	--------------------------------------	---------------------------------------

Our Programs 2026 / 2027

Five certifying programs in sequence — enroll for one or several. Tuition includes materials, LMS & certificate. Payment plan: 30% deposit · 40% week 2 · 30% week 5.

Cloud & Infrastructure

PROGRAMME CERTIFIANT · 8 SEMAINES

Maîtrisez AWS de A à Z et décrochez la certification la plus recrutée en Afrique

• AWS Solutions Architect Associate

RENTREE · 6 JUILLET 2026

320 000 XOF

academy.grouperms.com
Présentiel & en ligne · Cotonou

Cybersécurité

PROGRAMME CERTIFIANT · 8 SEMAINES

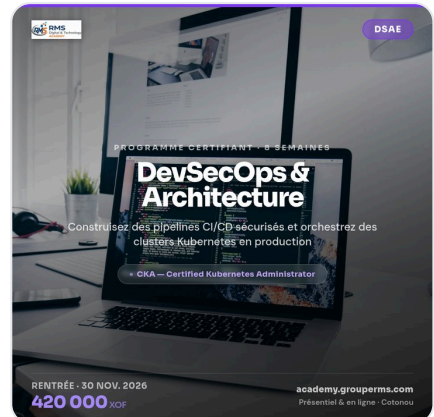

Devenez expert en sécurité des systèmes et réseaux — le métier le plus demandé en 2026

• CompTIA Security+ · AWS Security Specialty

RENTREE · 14 SEPT. 2026

320 000 XOF

academy.grouperms.com
Présentiel & en ligne · Cotonou

DevSecOps & Architecture

PROGRAMME CERTIFIANT · 8 SEMAINES

Construisez des pipelines CI/CD sécurisés et orchestrez des clusters Kubernetes en production

• CKA — Certified Kubernetes Administrator

RENTREE · 30 NOV. 2026

420 000 XOF

academy.grouperms.com
Présentiel & en ligne · Cotonou

IA & Data

PROGRAMME CERTIFIANT · 8 SEMAINES

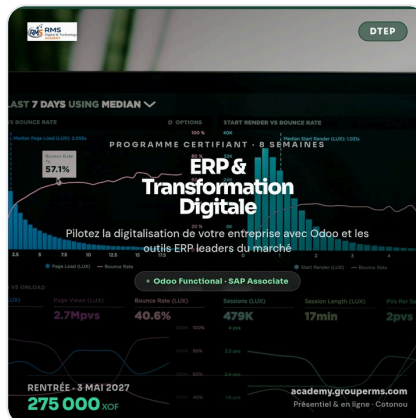

Exploitez la puissance de l'intelligence artificielle et du Machine Learning pour transformer vos données en valeur

• AWS ML Specialty · Google Prof. ML Engineer

RENTREE · 16 FÉV. 2027

370 000 XOF

academy.grouperms.com
Présentiel & en ligne · Cotonou

ERP & Transformation Digitale

PROGRAMME CERTIFIANT · 8 SEMAINES

Pilotez la digitalisation de votre entreprise avec Odoo et les outils ERP leaders du marché

• Odoo Functional · SAP Associate

RENTREE · 3 MAI 2027

275 000 XOF

academy.grouperms.com
Présentiel & en ligne · Cotonou

 **Format:** 4 evening programs (CCIP · CCSS · AIDB · DTEP) run as **evening classes, Monday–Thursday — 19:00–21:30 (15-min break)**, plus online streaming. **DSAE** runs as an **intensive weekend format** (Saturday + Sunday morning) for experienced professionals.

Corporate B2B Training

Custom enterprise training — in-house, hybrid or online. See page 6.

academy@grouperms.com

2026 / 2027 Program Calendar

Programs run one after another. Evening programs offer evening classes (Monday–Thursday); DSAE runs intensively on weekends.

Program	Duration	Sessions	Start	End
CCIP	8 weeks	Mon–Thu · 19:00–21:30 (15-min break) + streaming	Oct 26, 2026	Dec 20, 2026
CCSS	8 weeks	Mon–Thu · 19:00–21:30 (15-min break) + streaming	Jan 18, 2027	Mar 15, 2027
DSAE	8 weeks	Intensive · Sat 09:00–13:00 + Sun 09:00–13:00	Mar 29, 2027	May 24, 2027
AIDB	8 weeks	Mon–Thu · 19:00–21:30 (15-min break) + streaming	Mar 29, 2027	May 24, 2027
DTEP	8 weeks	Mon–Thu · 19:00–21:30 (15-min break) + streaming	Mar 29, 2027	May 24, 2027

Key Dates

● Jun 27, 2026	Free Masterclass — Cloud & Digital Careers
● Oct 26, 2026	CCIP — Cloud & Infrastructure cohort starts
● Jan 18, 2027	CCSS — Cybersecurity cohort starts
● Mar 29, 2027	DSAE — DevSecOps & Architecture cohort starts
● Mar 29, 2027	AIDB — AI & Data cohort starts
● Mar 29, 2027	DTEP — ERP & Digital Transformation cohort starts

Enrollment is open year-round. Apply any time before a program's start date — LMS access is granted 3 days before Day 1.

Career Outcomes

Training that opens real doors. Our certifications are recognized by tech companies across Africa and Europe.

Program	Key roles	Salary · W. Africa	Salary · Europe	Certification
CCIP	Cloud Engineer · Infrastructure Support · Systems & Network Admin · IT Operations Analyst	300,000 – 700,000 XOF/mo	3,500 – 5,500 €/mo	AWS Solutions Architect Associate
CCSS	Cybersecurity Analyst · SOC Analyst · Network Security Engineer · Information Security Officer	400,000 – 800,000 XOF/mo	4,000 – 6,500 €/mo	CompTIA Security+ · AWS Security
DSAE	DevOps Engineer · Cloud Architect · Site Reliability Engineer · Solutions Architect · Tech Lead	500,000 – 1,000,000 XOF/mo	5,000 – 8,000 €/mo	CKA · AWS DevOps Professional
AIDB	Data Analyst · Data Scientist · ML Engineer · BI Analyst · AI Product Manager	450,000 – 900,000 XOF/mo	4,500 – 7,500 €/mo	AWS Machine Learning Specialty
DTEP	ERP Project Manager · SAP/Odoo Consultant · Digital Transformation Director · IT Project Manager	400,000 – 900,000 XOF/mo	4,000 – 7,000 €/mo	PMP · SAP Certified

Intensive Bootcamp

An accelerated, project-based immersion to fast-track your transition into tech.

Bootcamp — accelerated tech immersion

A condensed, hands-on program designed for career-changers and those who want results fast. Practice-first pedagogy, real projects, mentoring and direct exposure to the tools enterprises actually use.

Hands-on labs · Real projects · Mentoring · Certificate

Apply or request details → academy.grouperms.com/apply

Corporate B2B Training

Upskill your teams with tailored programs — in-house, hybrid or fully online.

Custom training for enterprises

We design bespoke curricula around your business challenges — Cloud, Cybersecurity, DevSecOps, AI & Data or ERP. Delivered at your premises, in hybrid mode or online, with measurable outcomes and certification.

Needs assessment · Tailored curriculum · On-site / hybrid / online · Progress reporting

How to Enroll

- 1 Apply**
Complete the form at academy.grouperms.com/apply — select your program and cohort.
- 2 Faculty Review**
Reviewed personally by the lead instructor within 48h — prerequisites and availability verified.
- 3 Payment**
Stripe (card) or FedaPay (Mobile Money). Full payment or 3-installment plan.
- 4 Onboarding**
LMS credentials sent 3 days before Day 1 — join the student WhatsApp group.
- 5 Start**
Day 1 of your chosen cohort. Welcome to RMS Academy.

Enrollment Process

Applications are reviewed personally by the lead instructor. Admission is not automatic — we assess motivation, availability and prerequisites to ensure every student can succeed.

What happens at each step

1 — Apply Online	Complete the form at academy.grouperms.com/apply · Select program & cohort · Add a short motivation note.
2 — Faculty Review	Reviewed personally by the lead instructor within 48h · Prerequisites and availability verified · Conditional admission possible.
3 — Admission Decision	Admission confirmed or feedback by email · Non-admission includes constructive feedback and a suggested path forward.
4 — Payment	Stripe (card, Europe/international) or FedaPay (Mobile Money, West Africa) · Full payment or 3-installment plan: 30% deposit · 40% week 2 · 30% week 5.
5 — Onboarding	LMS login sent 3 days before Day 1 · All materials available · Join the student WhatsApp group.
6 — Day 1	Evening classes: Mon–Thu 19:00–21:30 (15-min break) + live streaming · DSAE: intensive weekend (Cotonou or Plaisir / online).

Minimum Requirements

CCIP — Cloud & Infrastructure	✓ Basic computer literacy ✓ Curiosity about IT and technology systems ✓ 8–10h/week available ✓ No prior certification required — beginners welcome
CCSS — Cybersecurity	✓ Basic understanding of networks and the internet ✓ Logical thinking and attention to detail ✓ 8–10h/week available ✓ CCIP recommended — not mandatory

Requirements for AIDB, DTEP and DSAE: academy.grouperms.com/programs
